

Recruitment and Procedures

1. The prospective member is given, sent, or downloads from the website, an application form. The prospective member returns the form complete with cheque if they wish to join with the proviso of participating in at least 3 events a year.
2. The Associate Membership list restricted to 50.
3. Associates will be offered holidays and events one clear month after Members. Members can put Associates names down with the proviso that Full Members have preference.
4. Associates can attend all activities except monthly meetings.
5. Members or Associate Members will be assumed to have resigned if they have not paid their annual subscription by the end of May.
6. Associates must join as Full Members when they are invited, unless there are extenuating circumstances approved by the Committee.
7. In exceptional circumstances it might be possible to revert to Associate Membership after being a Full Member, providing that the Committee approves.
8. To ensure that Full Members are aware of current proceedings, and to provide a good size audience for our speakers and entertainers attendance at Monthly Meetings is positively encouraged. In view of this, if a Full Member misses 3 consecutive monthly meetings the member may be contacted by a Committee member. It might be that the member is ill and we are unaware of this, or extenuating circumstances have prevented such attendance, in which case we would like to know. The alternative is that the member is no longer able or willing to remain a member so can free a space for an Associate to become a Full Member.
