Dear

Date

Thank you for your interest and your wish to join MaidARA, however, the number of people allowed in the Church Hall is limited and we are already at our limit. Please note that you must not be in full time employment and our monthly meetings are held on the first Wednesday afternoon of each month.

You can be immediately accepted as an Associate Member for a fee of £7.50. This sum covers administration, post and phone calls where necessary. It is then followed by an annual subscription paid on the 1st April, until you are invited to become a full member, when the subscription fee is £15.00. You might be invited to become a Full Member at any time, on the payment of the additional £7.50 fee.

As an Associate Member, you are able to take part in all our activities as shown on our website or in the latest quarterly Maidara Matters which you will receive, except for the attendance at monthly meetings, which are held at St. Paul's Church, Boxley Road, on the 1st Wednesday of each month.

As you will see from the list we have a busy and interesting programme taking place throughout the year. To take part in any of the events, telephone the organiser who will be able to give you details. Organizers names and telephone numbers are in Maidara Matters and also on the Members page of the website, access to which is via Log in details which can be sent to you if you wish.

In order that our Association remains active and forward-looking, it is necessary that all members participate fully. It is only by doing so, that the benefits of "belonging" are really appreciated.

Yours sincerely
